

Happy Birthday, Buchiii! 🎂 ❤️

Dear Buchiii,

I have no words to explain yourself , you are too funny too. Badmoss types

of girls just keep it in the future because you want to become a politician 😂 so these kinds of things will help you in future .

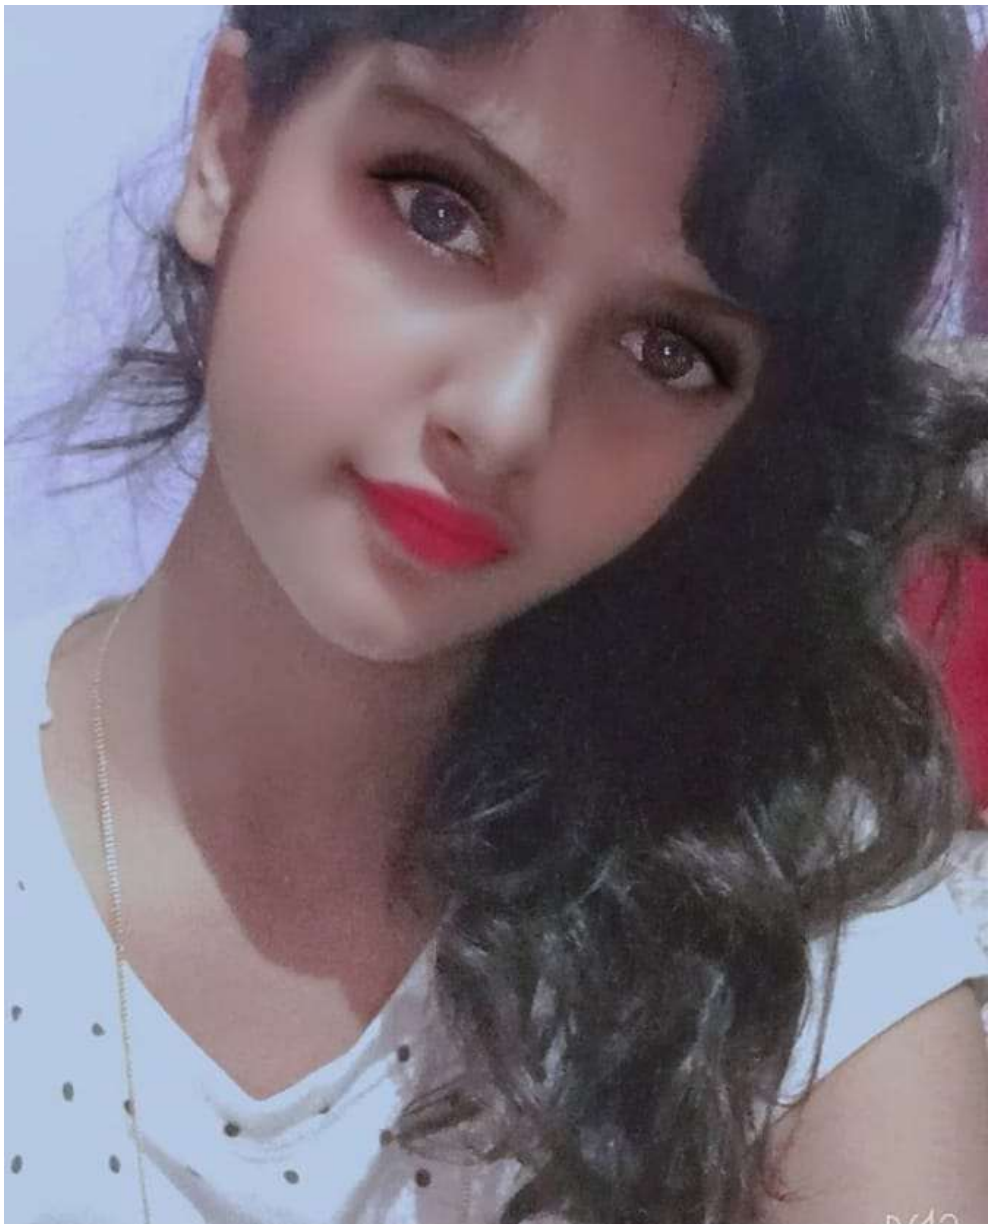

And yes, one more thing 😂 You are always thinking about how to gain weight, but remember, you want to become a little healthier, not turn into a *moti ladki* 🤭 So eat well, enjoy your favourite food, have loads of fun, and live your life to the fullest. So, Buchiii, keep eating, keep laughing, keep enjoying life. On your special day, I wish you endless happiness, good health, lots of love, and all the little things that make life beautiful.

Happy Birthday once again, Buchiii!
❤️ 🎉

Stay happy, stay crazy, eat खूब, enjoy खूब, and keep spreading your adorable madness wherever you go!

Lots of love and warm wishes to you!

💖 🎂

Buchiii, were you a snake in your previous life or something? Why do I get that feeling? Hihihihi 😂 🐍

This photo is giving *Chhapri Pro Max* vibes 😂 😱 Tell me, Buchiii, did you

used to be a member of the Chhapri gang back in the day? 🤭

What if the toy also becomes a chhapri ?😂🤣

Chhotiii Bachiiii ho kya 🤣

Motiiiiiiiiiiiiiiiii Buchiiiiiiiiiiiiiiiiiiiiiiiiiiiii

Last me Add kar deta hu , kyuki aisa feel na ho ki mere se bda chhapriii koii nahi hai
